

Let's Go STAROM

Did you know that we can all go “Shopping Together And Reduce Our Mortgage” while we shop? This can be accomplished without any out-of-pocket expense to our Holy Trinity Families. Our Church Council has approved a fundraising program that works while you shop. All monies raised through this program will be used to reduce our mortgage.

Gift cards from national and local retailers will be ordered by Holy Trinity. They're the same gift cards that you buy at the store. When Holy Trinity Families buy gift cards from the Church, then the Church gets a discount. Church members purchase the cards for full face value and redeem them for full face value.

All of us shop for grocers, clothing, shoes, home improvement, etc. We even go out to eat, or to the movies, or cruise sometimes. So let's use our shopping to reduce our mortgage without any additional expense to each of us. There are pros/cons for this type of fundraising. If you feel the cons are not worth the effort for you and your family, we encourage you to make a special contribution toward reduction of our mortgage.

After each Sunday Service, beginning March 21, 2010, volunteers will be available to take your orders. Orders placed on one Sunday will be ready for pick up the following Sunday. If you have any questions, please call Ron Mixon at 941-240-3041 or email him at jgmixon@comcast.net.

This chart shows the revenue percent, by retail store, that Holy Trinity will receive from the gift cards. This is a partial list of retailers participating in this program. You can go to www.glscrip.com to see a complete list of the retailers involved with this program. Or, ask any of the volunteers.

We encourage you to print and fill out the order form and bring it with you on Sunday and give to a volunteer. Thank you for your support of the program. If you are interested in a retailer not shown on the order form, ask a volunteer and they can check the catalog. Also, ask about a different “value” if you do not see the denomination you want.

SO, COME ON AND LET'S GO “STAROM”!
