August's Discipleship Tree's focuses on BACK TO SCHOOL, LWR School Kits

This month we support Lutheran World Relief by gathering supplies for school kits. Education is one of the strongest tools a community has for breaking the cycle of poverty. Ensuring that girls attend school, especially in places where their access is deprioritized, has even stronger results. LWR School Kits contain essential supplies to help children continue learning in the face of serious obstacles. That learning leads to a better life for them, their families, and their communities. You can pick up a list of the supplies needed in the narthex. (PLEASE purchase ONLY the supplies listed.)
