STIRRING UP YOUR GIFTS….how many of you used your spoons this past week? Have you been praying on your gifts?

Remember your gifts are special and unique to you! How can you share your God given gifts?

This month we encourage you to lift up one another's gifts. When you see something special in someone else, point it out to them. They may not realize that it is a special gift they have. We are called to not only use our own gifts but to also lift up the gifts others have.

If you didn't pick up your spoon last Sunday, stop by the welcome center and get your spoon! Use it all month long as a constant reminder that the Holy Spirit is at work STIRRING UP your precious gifts.

We are glad YOU are here!

Are You a Visitor or Guest? We welcome you in the name of our risen Savior and we rejoice that you are here today to praise God with us. Please complete a Connection Card in your pew. Either place it in the offering plate or give it to one of our pastors so we can serve you better.

Special Needs? - If you have any special needs, our ushers are available to assist you. The are stationed at the doors going in/out of the narthex.

Hearing Assistance – We have a limited supply of hearing devices available for use. If you feel you need one, please see the sound booth attendant.

Holy Communion—We believe that Christ is present in this meal freely given to all who are baptized. Please approach the altar as directed. Receive the host *(gluten Free wafers are available for the asking)* and eat. Then pick up a cup of either the red wine or the white grape juice and drink. Deposit your empty cup in the basket at the end of the line. All children are invited to come forward for a blessing if they do not normally receive communion. Return to your seat (or pause at the altar) for a time of prayer. If you are unable to come to the altar and would like communion in your pew, please let an usher or a pastor know.

Our services are projected on the screens—The congregation responds with the bold, black print.
